

OUR LADY OF LOURDES N.S. NEWSLETTER

JANUARY 2023

Welcome back and a Happy New Year

It was so nice to have met with so many of you on our return to school, but for those I haven't seen, I wish you and your family a very Happy New Year and thank you for your good wishes. As you may be aware there is a teacher shortage in the city. We are 3 staff members short each day in school. Whilst this does not impact on our work, the children, rest assured, are our priority and we are delivering our very best at all times. We are timetabling carefully so that the children are receiving the very best. It is so important that they are in on time so they don't miss any class-time.

The teachers have changed some of your children's lunches. This is because they were not eating the food chosen for them. All of our meals are of the same nutritional value each day. If your child is not eating the school lunch, please be mindful that they are to bring healthy foods *only* as a replacement. We discourage lunches such as Nutella sandwiches, sausage rolls, chicken fillet rolls etc. and the children are allowed only water in their drink bottles. These are the rules issued by the Department of Education and are not of our making. If your child is not going to eat a school lunch, please let Helen know and it can be cancelled. Also, we have a number of children with a nut allergy, so this has an influence in the choice of foods allowed.

Please allow your children to walk in from the gate on their own. Scooting or cycling across the yard are not permitted, several children have been hurt because of this.

Parents are asked not to go directly to the classroom door to speak to teacher. A 1 to 1 meeting can be set up but the class would need supervision organised first, thank you. You can also leave a message with Helen or contact teacher through Aladdin.

Could I please ask parents not to encourage the use of chewy toys or weighted blankets unless recommended by a professional clinician.

Coffee Mornings for parents will be resuming this month. Ms. O'Keeffe will be in touch. Our 1st Coffee Morning is for Grandparents Day, as part of Catholic Schools Week on Friday 27th January

Regards,

Tonya

Classroom News

Mr. Weir's 3rd Class are having a busy time. So far, they've been to Kilmainham Gaol, an Art Workshop at IMMA, Collins Barracks and will shortly start Swimming Lessons. They also have been very lucky to have the Roots of Empathy Programme this year. Baby Roisin with her mum have visited the classroom. The children are loving her visits and watching her grow and learn. Both **Mr. Weir and Ms. Hegarty's Classes** are involved with a music workshop, making their own musical instruments and creating their own rhythms.

Our school with Inchicore National School placed a bid to be included in a Film Making Workshop and we were successful. **Ms. Dowling's 4th Class** were the lucky winners, they made a short film based on a story written by one of the pupils. A viewing of their work will be shown

Ms. Hegarty's Class visited Hollybrook Lodge to sing Christmas Carols and chat with the residents. Everyone had a great time.

Ms. Turner and Ms. Power's 1st Class have visited the Library at Richmond Barracks, and are currently enjoying Creativity in the Classroom with Elizabeth. On our Halloween Walk they continued on and enjoyed some trick or treat time with residents and staff of Hollybrook Lodge, showing off their fabulous costumes. They will be visiting again for Grandparents Day.

Ms. Shannon's Senior Infant Class had great fun with their parents on classroom visits making Christmas Crafts and Reading together. They are a great group, working and playing together through the Aistear Programme.

Mr. Minogue and Mr. Gallagher's 6th Classes have been especially busy. They have gone Rock Climbing, Bowling, visited Collins Barracks and had a brilliant day out at Trinity College as part of the TAP programme. They tried their hand at Fencing, Martial Arts, Basketball, Team Building challenges, and wandered around Trinity, see how it feels. A visit to the class by the TAP team is planned later in the year.

Both Mr. Minogue's 6th and Mr. Gallagher's 5th Class have started an Engineering Project with Darren and Cian from "Steam Programme"

Ms. Madden's Junior Infants enjoyed a visit to the Library and Story Telling. They also had Craft and Reading groups with their parents. They are a very imaginative little gang when it comes to Aistear. They're great at sharing the jobs when at the hairdressers, doctors, cleaning, shop and construction – even providing sounds!

Classes for Parents have resumed as well, they made Christmas Crafts with our very own Tony, beautiful Christmas Table Centre Pieces. There is now Zumba dance lessons on Tuesdays 9.15am.

Children from 4th Class are our Friendship Keepers – the Friendship Keepers keep an eye on younger children at break times. They encourage them to join games or they'll keep them company. We have Friendship Benches in the Main and Back Yard, the purpose of the benches are, if you don't have someone to play with, sit on the bench, and another child will come over to play/talk with you.

Ms. Merry organized the Book Fair which was a great success. The theme for **Literacy Week** was Storytelling. Children are listening to stories and are telling their own stories. Some are even performing a story. You can try telling stories at home, ones you know from your childhood or a story you remember.
